# Corona Virus COVid 19

Dear CMAC Members

Your committee met (via the wonders of Skype conferencing) and discussed our response to the current pandemic situation.

The outcome of that discussion was that the Walk Ups for April and May are definitely cancelled. We will be reviewing future walkups based on the best available advice. We are also postponing the Karaoke event until a more suitable date and time.

At this stage the Canberra Opry event on 30th May is going ahead however we will also be considering that closer to the date.

We hope to be providing some links for membership to view performances by our regulars and others online in the near future.

Finally, please note that if paying your membership dues online, that you note your name as a reference on the payment so that we are able to allocate the monies appropriately.
